

# Arizona Science Olympiad

12425 E Fort Lowell Road  
Tucson AZ 85479

August 5, 2018

Dear Coaches,

Welcome to the 2019 Arizona Science Olympiad Season! Registration is now open. We are using the same website to manage registration, event signups, volunteering, and scoring for all of our tournaments.

**Coach Registration:** All coaches must re-register on the website; your school information is still tied to your email but not activated until you re-register. Please register yourself at: <https://statescioly.org/az>. Emails will come from this website, so please make sure they don't go to your spam folder. Also please add your assistant coaches and for High School teams, you can add your Captains/Co-Captains so everyone receives all communications throughout the year.

**Team Registration:** Please register your teams on the website; if you need a paper registration to process through your business office, one can be found in the Coaches Documents, Resource Documents and at this link.

Our **Coaches Workshop** is now open for registration and is scheduled for September 15, 2018 at Casteel High School – Queen Creek, \$50 per attendee.

Arizona Science Olympiad would like to offer more resources to **Elementary Science Olympiad** programs (Div A), therefore, the Coaches **Workshop** will offer a separate track for Div A.

Tournaments that have been identified to date are listed below. If you are interested in hosting an Invitational, please let us know.

### **Div B Tournaments:**

20 October: Academy of Math & Science Invitational, Tucson

3 November: Northern Arizona Invitational at Liberty Traditional School, Prescott Valley

12 January: Casteel Invitational, Queen Creek

23 Feb: Div B: North-Central Regional, hosted by Estrella Mountain, Goodyear

TBD: Div B: Southern Regional

### **Div C Tournaments:**

17 November: Valley Vista HS Invitational, Surprise

1 December: Empire HS Invitational, Tucson

## Arizona Science Olympiad

12425 E Fort Lowell Road  
Tucson AZ 85479

22 January: Casteel HS Invitational, Queen Creek

Our combined Div B and Div C State Tournament will once again be hosted by Arizona State University – Tempe Campus on **April 6, 2019**.

Get information about Arizona Science Olympiad right on your phone – before and during tournaments. For Div B text @azsodivb to 81010 and for Div C text @azsodivc to 81010.

Please forward this email to any school/teacher interested in participating in Science Olympiad, especially those interested in Div A.

Thank you.

Reina Gomez, State Director
